

RHYTHMIC GYMNASTICS

# INTERCLUB & PROVINCIAL STREAM COMPETITIVE PROGRAM 2022 – 2023 SEASON

Rhythmic Gymnastics is a beautiful and challenging sport that combines the elements of artistic gymnastics with the many styles of dance. It incorporates the use of the five handheld apparatus: Rope, Ball, Hoop, Ribbon, and Clubs, with various movements to music.

Our competitive rhythmic gymnastics programs start at 2 hours per week. Our talented staff of coaches and choreographers ensures our athletes develop their skills in a fun and encouraging atmosphere. The Interclub rhythmic gymnastics program is a great option for gymnasts looking for something more than a recreational class, while the Provincial Stream program is great for those ready for a bigger commitment. All of our competitive programs will cover strength and conditioning training, flexibility training, basic ballet, and apparatus and skill development. A large focus in the competitive stream is placed on developing and maintaining either individual (gymnast performs by herself) or group (three to five gymnasts performing together) routines. Gymnasts will have the opportunity to perform and compete their routines many times throughout the season.

The Sapphires Rhythmic Gymnastics Club is the ideal place to watch your daughter grow. She will develop self-confidence, and a passion for a healthy, active lifestyle!

## Club Information and Policies

### About the Program:

- Provincial Stream competitive classes begin Saturday, September 3<sup>rd</sup>, 2022, and end after Provincial Championships (April 8/9, 2023 TBC). Please note that after Western Regional Championships or Provincial Championships (whichever is latest), training consists of group practices for Provincial Gymnaestrada, and typically run twice per week. A detailed practice schedule and further information will be available approximately mid-April 2023.
- No classes on statutory holidays, school winter and spring breaks.
- **Dates, times, and locations are subject to change.**
- The Sapphires reserve the right to combine or cancel any class that does not meet the minimum requirement of 5 gymnasts.
- All coaches are certified according to the National Coaching Certification Program and in CPR & First Aid.
- **The Sapphires are not responsible for class cancellations caused by the facility provider.** In the event of a facility cancellation, the Sapphires will attempt to arrange for use of an alternate facility. However, if another facility is not available, the class will be cancelled and may or may not be rescheduled for another date.

## Fees:

- Training fees include RGM registration and administration fees, volunteer deposit, mandatory competition fees, pictures, club displays, year-end windup, and use of group equipment.
- Registration with Rhythmic Gymnastics Manitoba (RGM) is **mandatory** and the fee of \$65 is included in the training fees. Administration fee of \$35 is also mandatory and included in the training fees. These fees are **non-refundable**.
- There is a family discount for 2 or more children registered in the competitive program of \$25 per child, if registered by August 15, 2022.
- There is a discount of \$50 per child if paying the years' training fees in full. Payment must be received by August 1, 2022, to be eligible for the discount.
- If you are a Sapphires coach, you will receive a reduction of \$75 in your competitive training fees if registered by August 1, 2022.
- Completed registration packages received **after** the regular registration deadline of August 15, 2022, are considered late, and may be subject to a \$50 late registration fee.
- The mandatory volunteer deposit fee of \$100 is included in training fees.
- Competition fees range from \$75 - \$160, and there are 6 local competitions: ARGO, Royals, Sapphires Challenge, Elite Manitoba, HPTCI Manitoba Cup, and Provincials. The Sapphires Challenge and Provincial Championship competitions are **mandatory** for all competitive gymnasts and the competition fees are included in training fees. Fees for the other competitions and out-of-town competitions are additional, and information about these competitions will be provided during the season.
- Payments can be made in one full payment, or 3 payments (at registration, then on January 1<sup>st</sup> 2023 and March 1<sup>st</sup> 2023) by e-transfer only. Initial payment must be submitted at the time of registration. Full details on payment options can be found in the attached *Class & Fee Schedule*.
- Regrettably, an athlete whose account is in arrears will lose her training privileges until such time as her account is brought up to date. Similarly, fees for competitions must be received by Sapphires prior to any athlete being registered for a competition.
- There will be a \$35 administration charge for all late payments.
- Kidsport Canada provides funds to support grants available to kids who are unable to participate in sports due to financial barriers. For more information on Kidsport, or to submit an application for your daughter, go to [www.kidsportcanada.ca](http://www.kidsportcanada.ca). Please note that the submission of an application **does not** reduce the amounts required to complete registration. Should an amount from Kidsport be received by Sapphires, fees will be adjusted accordingly

## Additional Costs:

- Bodysuits, individual equipment, toe shoes, club tracksuits, group competition bodysuit, competitions (\$75 - \$160 each), summer, winter, and spring camps (optional).
- You may want to take advantage of the Sapphires used bodysuit/equipment sale in the fall. Details on the event will be distributed in September.

## Refund Policy:

- In the event of a program cancellation by the Sapphires, a full refund will be issued.
- Refund requests will be accepted up to December 1<sup>st</sup>, 2022 and will be pro-rated based on the number of classes that took place between the start of the season to the date of the refund request.
- There are no refunds after December 1<sup>st</sup>, 2022. Exceptions are as follows:
  1. Injury (medical certificate/doctor's note required).
  2. Mandatory shut down due to Covid-19 restrictions by the Province of Manitoba and/or Sport Manitoba.
- Please note that the mandatory RGM fees and Sapphires administration fees totalling \$100 are **non-refundable**.

## Fundraising:

- Fundraising is an important part of any non-profit organization, but one we try to keep to a minimum. Funds are used to enhance our programs by way of new equipment, music, and special events. We greatly appreciate any assistance you can provide.
- Optional fundraising events may include selling gift cards, selling poinsettias, etc. Information regarding these events will be available on our website in late September 2022.

### **Parent Volunteer Requirements:**

- Parent support is greatly relied upon to keep our club operating efficiently, and to provide optimal support for our coaches, and ultimately, our athletes. Our coaches are assisted by a Parent Board, who take on duties such as coordinating special events, communication, bookkeeping, liaising with Rhythmic Gymnastics Manitoba (RGM), etc. The Board meets several times per season.
- It is **MANDATORY** that all parents attend our first meeting of the season (September or October TBC), to learn how they can become involved and to obtain information about the upcoming season. More details will be provided in September.
- A Volunteer Deposit of \$100 is **mandatory** and is included in training fees. Upon the completion of three 2-hour shifts at competitions, this deposit will be credited back to the athlete account at the end of the season.
- Mandatory participation includes volunteering at our competition Sapphires Challenge, and 1-2 competitions hosted by RGM which require the participation of each club. Every effort is made to ensure that no one misses their daughters' performance. These are wonderful opportunities to meet other parents, both within our club, and from other clubs, and share in the fun and friendship of the Manitoba rhythmic gymnastics community.

### **Notes Regarding Competitive Classes:**

- Competitive rhythmic gymnastics is done on a 13m<sup>2</sup> carpet. The Sapphires are proud to be able to offer training on a carpet once per week to all competitive gymnasts training 2 days or more.
- If a gymnast is unavailable on an evening when her class is scheduled, please contact the Head Coach at the start of the season as there may be an option to train on an alternate day. The Sapphires try to accommodate family's schedules as best as possible because we believe it is important children have an opportunity to participate in other activities such as piano, dance, swimming, etc. if they choose.
- If a gymnast would like to train more than the required 2-3 days per week, please contact the Head Coach to identify additional training days. A schedule and corresponding fee will be coordinated according to the athlete's needs/goals.
- Gymnasts have the freedom to choose to compete as much or as little as they like throughout the season. Typically, there are between 4 and 6 competitions throughout the season, usually taking place during December to May. If a gymnast is unsure of her desire to compete, it is completely acceptable for her to train in the provincial stream program and only compete once or twice during the season. In addition to competitions, gymnasts will have various other opportunities to perform their routines throughout the season (Sapphires Winter/Spring displays, mock competitions, etc.). Parents are encouraged to communicate regularly with their daughters' coach regarding upcoming competition and performance intentions.

### **Covid-19 Information:**

- Depending on the restrictions due to Public Health Orders from the Province of Manitoba, displays and competitions may not take place this season. Indoor gatherings, including for sporting events, may also be limited. Further details will be provided as the competition season unfolds.
- Facility providers may have Covid-19 restrictions in place, which could include daily screening tools, social distancing, use of hand sanitizers and use of masks in common areas.
- Stay informed by visiting the Government of Manitoba's website for Covid-19:
