

RECREATIONAL PROGRAM

Winter – 2022

What is Rhythmic Gymnastics?

Rhythmic Gymnastics is a beautiful and challenging sport that combines elements of gymnastics with many styles of dance. It incorporates the use of five handheld apparatus: Rope, Ball, Hoop, Ribbon, and Clubs, with various movements to music.

Introduction to Rhythmic Gymnastics

Introduction to Rhythmic Gymnastics (IRG) is a program for beginners as well as those who have participated in the sport recreationally. These classes are 1 hour long and run for 10 weeks. During the 10-week session, gymnasts will have the opportunity to develop skills and various types of apparatus: scarves, rope, ball, hoop, and ribbon. Basic jumps, leaps, pivots, and balances will be taught. During the last class, parents are invited to an open class to watch a demonstration of the skills their daughter has learned throughout the season. Throughout the program, gymnasts will learn a proper warm-up, develop hand-eye coordination as well as flexibility in a fun, safe, and encouraging atmosphere!

The cost for this program is \$140.00.

IRG Advanced Classes

The Sapphires are also offering an IRG Advanced class for ages 8 & up. These classes are specifically for gymnasts who have attended a minimum of two IRG sessions or who have prior experience in gymnastics or dance. These classes are 1.5 hours in length and run for 10 weeks.

The cost for this program is \$165.00

Dates and Locations:

Runs the week of January 24, 2022 to April 11, 2022. The gymnasts will be showcasing the routines they have learned throughout the session at the Sapphires' Spring Display, which is tentatively scheduled for April 23rd at Tec Voc High School. Should this event not take place, then during the last class of the session, parents will be invited to come watch (subject to any restrictions that may be in place at that time).
